<b>TABLE OPTIONS</b>		
	Table with Wheels (Adds Mobility and 18.5" H) The table will be assembled and attached to the custom base.	\$175.
	Double stacked tables with upgraded wheels.	\$400.
<b>DECALS &amp; PINSTRIPING</b>		
	<b>Custom Decals</b> You decide what you want each room to be called and I create the decals for each room. For example, you may prefer "Head" instead of "Restroom." You may prefer "Berthing Quarters" over "Bunk Room." The decals are protected with laminate and affixed prior to the custom base's final polycrylic application to prevent peeling.	\$30.
	<b>Pinstripes</b> Choose from a variety of color options and we will apply them to the base.	\$50.
<b>ROOM OPTIONS &amp; FURNISHINGS</b>		
	<b>Restroom &amp; Showers</b> This is a removable room that sits in the Cargo Bay and has access from the Bunk Room with an additional door access from the restroom to the Cargo Bay. The restroom comes fully assembled to the removable walls with 2 showers, 2 urinals, 1 toilet, restroom stalls, 2 water fountains, and an additional door frame.	\$150.
	<b>Sick Bay</b> This room sits under the Flagg's elevator section. The walls are painted with a hospital green lower section and a white chair rail. The room will be equipped with X-Ray Viewer, Eye Chart, Gurney, Wheelchair, Desk, Chair, Laptop, Wall Clock, Wall Phone, and Wall Monitor.	\$150.
	<b>Commons Area</b> The Commons is furnished with 2 drink machines, 1 snack machine, 1 ATM, 2 folding tables, 8 folding chairs, and 2 "Brute" style trash cans.	\$150.
	<b>Bunk Room</b> The Bunk Room is furnished with 3 bunk beds, 3 lockers, and 2 arcade machines.	\$120.
	<b>Maintenance / Cargo Hangars</b> The Maintenance and Cargo Hangars are furnished with 10 oil drums, 3 oil drum racks, 4 orange cones, 4 orange barrels, and 2 "Brute" trash cans.	\$100.
<b>ARCHITECTURAL FEATURES</b>		
	<b>Electrical Boxes</b> The electrical boxes have a sliding access panel to place small objects.	\$20.
	<b>Light Switches</b> Light switches are added to each of the five rooms.	\$15.
	<b>Exit Signs</b> Exit signs are placed above the doorframes of five key areas.	\$15.
	<b>Water Fountains</b> A set of water fountains will be added to the Maintenance Hangar and Commons Area.	\$24.
	<b>Wall Clocks</b> Wall clocks will be placed in the bunk room, Cargo Hangar, Maintenance Hangar, and Commons Area.	\$16.
	<b>Fire Alarms</b> Fire alarms will be placed in the Commons, Cargo Hangar, and Maintenance Hangar.	\$9.
	<b>Fire Extinguishers</b> Fire Extinguishers will be placed in the Cargo and Maintenance Hangars.	\$6.
	<b>HVAC System</b> An HVAC Condenser with duct and 4 vents.	\$50.
	<b>Hatch Tower</b> The Hatch Tower comes in the Commons area with functioning hatches and ladders to access upper and lower decks. Holes are drilled at the hatch location to allow figures to actually fit through the hatch openings to lower decks.	\$65.
	<b>Phalanx &amp; SeaRAM</b> A Phalanx & SeaRAM weapon system will be placed at the front of the ship with one located on each side of the custom bow.	\$300.

ADDITIONAL OPTIONS		
	<b>Lighting System: Battery Operated</b> Not Installed. Includes 24 LED Light Pucks, 24 Mounting Discs, Remote Control, and Light Schematics for Installation. (Add \$50 for installation)	\$100.
	<b>Lighting System: Wired for Flight Deck (NOT INSTALLED BUT PREPPED)</b> Includes 100ft Light Strip, 25 Mounting Fixtures, LED Controller (AC), Remote Control, Connector Kit, and Light Schematics for Installation. The LED Controller will be mounted at the stern of the custom base. Holes will be drilled, rubber grommets installed, and ready for light installation.	\$100.
	<b>Lighting System: Wired for Table (INSTALLED)</b> This option is only for those who have chosen a table on which the custom base will rest. We can add LED lights with an LED Controller (AC) and Remote Control. The LED Controller will be mounted at the stern of the custom base.	\$50.
	<b>Video System (FOR USE WITH YOUR AMAZON FIRE TABLET)</b> We attach a tablet mount to the rear of the custom base. A hole will be drilled and rubber grommet installed for wiring. You will need to purchase your own tablet and set up the tablet to control the LED lights. I will send you a link to videos that can be added to your tablet. <b>Choose One:</b> <input type="checkbox"/> Removable Arm (clamped to the custom base) <input type="checkbox"/> Fixed Arm (permanently attached to base instead of clamped)	\$50.
	<b>Portable Power Bank with AC Outlets</b> This allows the Flagg to have it's own AC power without running a cable. I use it for both the Video System and Lights	\$160.
	<b>The Admiral's Chair</b> An actual life-size chair with a custom "Admiral's Club" embroidered onto the head-pillow. The embroidery patch has Keel Haul's head, "99" and reads "The Admiral's Club."	\$200.
	<b>Cobra Themed Custom Base</b> Choosing this option changes the themes of the 3D printed items from "USS Flagg" themed to "Cobra" themed. For example, instead of "99" support beams, the support beams are printed with a cobra head. There is no "up charge" for this option, but you will need to select the "Pinstripes" option on the previous page.	FREE
